Professional Summary

Motivated Computer Science Engineering student specializing in Data Science and Analytics, with a strong foundation in Python, MySQL, and Power BI. Experienced in data analysis, visualization, and cloud-based solutions through hands-on projects and internships. Demonstrates a keen understanding of cybersecurity, cloud security, and secure data handling. Eager to leverage analytical and problem-solving skills to drive actionable insights and support data-driven decision-making in a dynamic organization.

Professional Experience

Data Analytics Intern · Edunet Foundation / AICTE · Apr 2025 - May 2025

- Completed an online internship focused on data analysis, working on real-world projects to generate actionable insights and visualizations.
- Utilized Python and Power BI to analyze datasets and present findings to stakeholders.

Cloud Intern · IBM Cloud · Jul 2025 - Aug 2025

- Completed an internship focused on cloud computing, developing a chatbot and AI assistant using IBM Cloud services.
- Gained hands-on experience in cloud features, AI integration, and secure data handling.

Data Analytics · Tata / Forage · Jun 2025 - Jul 2025

- Building a interactive Dashboard using power bi with given raw data and present insight of data as a visual and graphs .
- Gained experience as Real world working environment and effective thinking.

Projects

Password Strength Checker · 2025

Python

- Developed a Python-based tool to evaluate password strength using industry-standard security policies.
- Implemented logic to assess password complexity and provide user feedback for improved authentication security.

Cloud Security Implementation · Aug 2025

IBM Cloud

- Implemented basic cloud security controls using Identity and Access Management (IAM) to manage access and protect cloud resources.
- Demonstrated understanding of cloud security best practices.

Crop Production Analysis · 2025

Power BI

- Created a comprehensive data analytics dashboard for crop production analysis in India using Power BI.
- Visualized key agricultural trends and provided actionable insights for stakeholders.

Online Retail Data Analysis · AnubhavS-99/cinema-ticket · Jul 2025 - Aug 2025

Python Jupyter Notebook

- Processed and analyzed an online retail dataset, designing a visualization dashboard to demonstrate data cleaning and interpretation skills.
- Utilized Python libraries in Jupyter Notebook to generate effective insights and present data visualizations.

Chatbot and AI Assistant · 2025

IBM Cloud AI Assistant

- Developed a chatbot and AI assistant using IBM Cloud, integrating data analysis for enhanced user interaction.
- Applied cloud-based AI tools to automate responses and improve data-driven decision-making.

Education

Bachelor of Technology (B. Tech) · 8.43/10.0 · Nov 2022 - Present
Computer Science Engineering ·
Sir Chhotu Ram Institute of Engineering and Technology, CCSU

10th · · St. Peter's Sr. Sec. School · Apr 2018 - May 2019

12th · · St. Peter's Sr. Sec. School · Apr 2020 - May 2021

Skills

Programming Languages

Python C HTML/CSS

Databases

MSSQL

Tools & Platforms

Power BI IBM Cloud Canva Microsoft Office (Excel, Word, PowerPoint)

Data Science & Analytics

Data Analysis Data Visualization Analytics & Insights

Achievements

TATA Job Simulation (FORAGE) · Jun 2025 - Jul 2025

Successfully completed the official job simulation program, gaining practical experience in business problem-solving and data interpretation.

Certificates

MySQL · 2025

ChatGPT for Everyone · 2025

Data Analytics · Apr 2025 - May 2025

Power BI · Jul 2025 - Jul 2025

Python · Jul 2025 - Aug 2025

Position Of Responsibility

Co-Ordinator · 'ARAMBH' - The Annual Convocation 2024 (SCRIET) Sep 2024 - Sep 2024

Managed and oversaw coordination activities for the major annual college event.

Member · Technical and Cultural Core Committee (SCRIET) Jan 2025 - Jan 2025

Planned and executed various cultural events, providing essential technical support. Organized and coordinated various cultural and technical events at the college level.

Extra-Curricular Activities

Co-Ordinator, 'ARAMBH' - The Annual Convocation 2024 (SCRIET): Managed and oversaw coordination activities for the major annual college event.
Member, Technical and Cultural Core Committee (SCRIET): Planned and executed various cultural events, providing essential technical support. Organized and coordinated various cultural and technical events at the college level.
