Anubhav Singh | Data Analyst Portfolio

Professional Summary

Detail-oriented Computer Science Engineering student specializing in Data Science and Analytics, with hands-on experience in Python, MySQL, Power BI, and cloud-based solutions. Skilled in data analysis, visualization, and secure data handling, with practical exposure to cybersecurity and cloud security. Adept at leveraging analytical and problem-solving abilities to deliver actionable insights and support data-driven decision-making in dynamic environments.

Professional Experience

Data Analytics Intern · Edunet Foundation / AICTE · Apr 2025 - May 2025

- Completed an online internship focused on data analysis, generating actionable insights and visualizations from real-world datasets.
- Utilized Python and Power BI to analyze data and present findings to stakeholders, improving data-driven decision-making.

Cloud Intern · IBM Cloud · Jul 2025 - Aug 2025

- Completed an internship in cloud computing, developing a chatbot and AI assistant using IBM Cloud services.
- Gained hands-on experience in cloud features, AI integration, and secure data management.

Data Analytics Intern · Tata / Forage · Jun 2025 - Jul 2025

- Built an interactive dashboard using Power BI to visualize and present insights from raw data.
- Simulated a real-world work environment, enhancing analytical thinking and dashboard development skills.

Projects

Password Strength Checker — 2025

Python

- Developed a Python-based tool to evaluate password strength using industry-standard security policies.
- Implemented logic to assess password complexity and provide user feedback to enhance authentication security.

Cloud Security Implementation — Aug 2025

IBM Cloud

- Implemented basic cloud security controls using Identity and Access Management (IAM) to manage access and protect cloud resources.
- Demonstrated understanding of cloud security best practices and compliance.

Crop Production Analysis — 2025

Power BI

- Created a comprehensive analytics dashboard for crop production analysis in India using Power BI.
- Visualized key agricultural trends and delivered actionable insights for stakeholders.

Online Retail Data Analysis — Jul 2025 - Aug 2025

Python Jupyter Notebook

- Processed and analyzed an online retail dataset, designing a visualization dashboard to demonstrate data cleaning and interpretation skills.
- Utilized Python libraries in Jupyter Notebook to generate insights and present data visualizations.

Chatbot and AI Assistant — 2025

IBM Cloud AI Assistant

- Developed a chatbot and AI assistant using IBM Cloud, integrating data analysis for enhanced user interaction.
- Applied cloud-based AI tools to automate responses and support data-driven decision-making.

Education

Bachelor of Technology (B. Tech) 8.43/10.0 · Nov 2022 - May 2026
Computer Science Engineering
Sir Chhotu Ram Institute of Engineering and Technology, CCSU

10th · **St. Peter's Sr. Sec. School** · Apr 2018 - May 2019

12th · **St. Peter's Sr. Sec. School** · Apr 2020 - May 2021

Skills

Programming Languages

Python C HTML CSS

Databases

MySQL MSSQL

Tools & Platforms

Power BI IBM Cloud Canva Microsoft Excel Microsoft Word Microsoft PowerPoint

Data Science & Analytics

Data Analysis Data Visualization Analytics & Insights

Achievements

TATA Job Simulation (FORAGE) · Jun 2025 - Jul 2025

Completed the official job simulation program, gaining practical experience in business problem-solving and data interpretation.

Certificates

MySQL 2025

ChatGPT for Everyone 2025

Data Analytics Apr 2025 - May 2025

Power BI Jul 2025 - Jul 2025

Python Jul 2025 - Aug 2025

Position Of Responsibility

Co-Ordinator · **'ARAMBH' - The Annual Convocation 2024 (SCRIET)** Sep 2024 - Sep 2024

Managed and oversaw coordination activities for the major annual college event.

Member · **Technical and Cultural Core Committee (SCRIET)** Jan 2025 - Jan 2025

Planned and executed various cultural events, providing technical support and organizing college-level events.

Extra-Curricular Activities

Co-Ordinator, 'ARAMBH' - The Annual Convocation 2024 (SCRIET): Managed and oversaw coordination activities for the major annual college event.
Member, Technical and Cultural Core Committee (SCRIET): Planned and executed various cultural events, providing technical support and organizing college-level events.
